About Us

Elements of nature, especially stone can never be considered a waste. In each of its form, from the time it is a part of a huge mountain till the time it becomes small particles of sand, it is useful for the humans. We at **Pushpak Stone Impex (PSI)** make art out of stones that can be used in your buildings to make masterpieces out of a nature's gift to us. Browse through the next few pages to find the best ways we can make your place a better place to live. We will make a work of art that you can flaunt. Give us a chance to create a masterpiece that deserves a second look from your guests, something they cannot forget for a lifetime.

Established in the year **2004**, **Pushpak Stone Impex (PSI)**, is a well known organization engaged in manufacturing and supply of an exclusive range of **utility decorative stone**. We deal with the products like **Stone murals, Slate stone, Sandstone, Stone mosaic, Stacking stone, Stone bowls, Pebbles stone and Semi precious stone mosaic**.

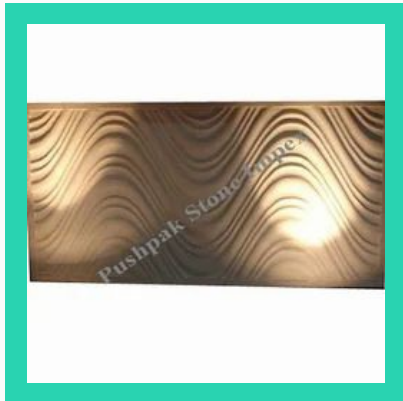

Pushpak Stone Impex (PSI) is headed by **Mr. Giridhar Gopal Soni** who has inherited vast experience in this field. He is successfully continuing the tradition in Bangalore by guiding the craftsmen to carve innovation designs out of natural stone.

Our company aim is not just to earn profit but also to take **Indian stone industries** on international front. We constantly strive to reach out to the...
